By Paul Rardin

Railroad crossings in the Pahokee-Canal Point area are a pain in the neck. There are no signal lights to warn the motorist of approaching trains. Then, at times when a train approaches, it stops and stays stopped many, many more minutes than the laws allow. I'm referring specifically to the sugar mill railroad spur between Pahokee and Canal Point. Several times during the present cane harvest season this particular crossing has been blocked for an unreasonable length of time. And, while it was blocked there was no red light set out to inform an unsuspecting public that the train was there. The FEC crossing at the light plant in Pahokee is a killer. In the past sudden death struck there and Monday night another auto-train crash injured two boys—one seriously. I am of the opinion that something should be done about these dangerous crossings. In fact, I've made up my mind that something MUST be done about them. I have letters out to the sugar company, the FECRR, and the State Road Dept. I have no idea what the answers will be, but, this section has been trekked like a red-headed stepchild long enough. Other busy areas have signal lights on dangerous crossings. Why not in the Glades? Whether some folks know it or not—the Glades is FAST growing up.

Methodists Plan Revival Feb. 17th.

Plans for a revival at the Pahokee Methodist Church were announced by the executive board at a meeting at the church on Thursday night of last week.

The services of Dr. and Mrs. R. L. Flowers, evangelists of Texas, have been obtained for the revival which will be held Feb. 17 to Mar. 1 inclusive. Named on committees in charge of arrangements were Dr. L. W. Armstrong, B. S. Waring and Frank Rozelle, publicity; Rev. T. A. Ferguson, music; Mrs. L. L. Stuckey, entertainment; R. W. Sanders, B. S. Waring, T. L. Burns, R. N. Simonson and L. L. Stuckey, finance; Lloyd Hundley, C. C. Cruthird, Slater Brewton, Phillip Phillips, Mike Sanders and Melvin Spooner, ushers.

Plans to open additional parking space for cars east of the church grounds were discussed. Mr. Burns announced that new carpet for the church vestibule will be installed this week. Preceding the meeting a supper was served in the social hall with Mr. and Mrs. L. L. Shirley and Mr. and Mrs. R. J. Schroder acting as hosts and hostesses.

Freshmen Furnish Rotary Program

Freshmen members of the Pahokee Rotary club—Otto Coleman, Clyde Alley, Orin Bacom, E. J. Carlton, Claude Shirley, Ed Cushman, John D. Rogers—furnished the program at yesterday's meeting of the club. The freshmen members presented some kind of a playlet in pantomime and our dictionary says pantomime means "a representation in dumb show" and the presentation was just that, if you translate the definition the same way we do.

Mr. and Mrs. Will Raborn of Madill, Okla., have arrived in Pahokee to spend the winter season with her sister, Mrs. C. A. Shive.

State Rep. B. Elliott Seeks Re-Election

First candidate for a county office to qualify for a place on the Democratic primary ballot was Rep. B. Elliott, Pahokee, who paid his filing fee to Circuit Clerk J. Alex Arnette Tuesday afternoon. He will run in Group 2.

First elected to the Legislature in 1944, Mr. Elliott is seeking a second term. Born in Bell Falls, Texas, March 13, 1902, he came to the Lake Okechobee region in 1922 and engaged in the automobile business. In 1934 he was elected a member of the Pahokee city council, the only other public office he has ever held.

He is a charter member and past president of the Pahokee Rotary Club, a past president of the Chamber of Commerce, a charter member of the Pahokee Masonic Lodge, a charter member of the Pahokee Elks Lodge and has served three times as exalted ruler. At present he is serving as deputy grand exalted ruler for Florida East.

For several years he has served as chairman of the infantile paralysis fund drive in the Everglades area and is a director of the Palm Beach County Red Cross Chapter.

A member of the Methodist Church, Mr. Elliott is married and has four children.

During the 1945 Legislative session he was especially active in behalf of legislation affecting the Everglades section of the county. Rep. Elliott said Tuesday, he will make known his platform as the campaign progresses.

Mr. and Mrs. James Edward Thompson and son, Lowry Presley, of Due West, S. C., have arrived in Pahokee for a visit with his mother, Mrs. Margaret Thompson, and sister, Mrs. Ora W. Pywell. Mr. Thompson, a former Pahokee resident, was in the service 44 months before receiving his recent discharge from the Army in which he held the rank of captain. He served overseas in India.

Claude Jones spent several days in Miami this week visiting friends.

Vinson Henderson Has Texaco Place

The Texaco station in Pahokee, operated recently by Ed Cushman, is now under the management of Vinson Henderson. The new operator announces that he will carry a full and complete line of Texaco products and extends an invitation to his old patrons and friends to pay him a visit in his new location.

Parking Meters To Be Installed Soon City Of Belle Glade

Present plans of the city council in Belle Glade call for immediate installation of parking meters in 4 blocks of the business section. Meters will be installed on Main street from the bridge through town to the Everglades theatre corner a distance of two blocks and on Avenue A from the intersection of Main street to the bank corner, a distance of two blocks.

The meters are being furnished by the M. H. Rhodes company of Hartford, Conn., and will be installed on a co-operative plan until paid for, a city official said. Plans call for installation of 136 meters in the four blocks. It will cost 1c for 12 minutes parking or 5c for an hour. There will be no charge on Sunday, holidays or evenings.

Parking difficulties have been experienced by the visitors in Belle Glade during the past few years since Belle Glade started growing by leaps and bounds. Clerks and store owners have parked their cars in front of their places of business and allowed the customer to shift for himself when it came to finding a place to park. The meter plan will rectify this matter and give the customer and visitor an even break with the early comers on the streets.

At a recent meeting of the chamber of commerce in Belle Glade that group went on record as favoring employment of a city manager. Other civic groups are sponsoring such a move and it is possible, and highly probable, that a city manager will be put to work ere the passing of many moons. Belle Glade, in the midst of growing pains, is already too big a city to continue its progress without the direct guidance of some full time person clothed with authority.

New Bulk Station Planned For Pahokee

Shaw Brothers of Miami are remodeling the Pure Oil station on East Main Street opposite to the Elks grounds for use as a bulk gas and oil station as well as a retail filling station. Two cottages have been moved to the rear of the station to make room for the series of huge underground storage tanks that are being installed. The stucco house included in the station property is being remodeled for use as a residence for the new manager, John E. Wilson of Fort Lauderdale. Mr. Wilson will move his family here as soon as the house is ready for occupancy and his two daughters plan to enroll for the second semester at the Pahokee School.

Love And Pickett Are New Rotarians

G. E. Love, manager of the white migratory camp, and John T. Pickett, recently released from the army where he held commission of major, were welcomed as new members by the Pahokee Rotary club yesterday. John Dulaney gave the welcome address.

Rotary Governor To Visit Pahokee

The Rotary club of Pahokee will welcome Fred Bultman, Jacksonville, district governor of Rotary, next Thursday evening at 7 p. m. at a special night meeting of the club. The Belle Glade club will meet with the Pahokee group to hear the district governor deliver his annual message. Dennis Cardin, John Dulaney, Paul Rardin, Joe Alderman, V. C. Denton and Elmer Jones compose the committee to make arrangements for the governor's visit.

Pahokee Schools Lead In 2 Drives

Pahokee high and elementary schools led the county in the recent Junior Red Cross drive by raising \$132. The schools also stood at the head of the list in the county in the TB seal sale, garnering \$107. And, today it looks like the Pahokee schools may lead the county in the March of Dimes campaign.

VISIT IN PAHOKEE

Mr. and Mrs. M. W. Cary and two sons of Marianna and Mrs. G. H. Goldsmith and son of Rhode Island are guests of Mr. and Mrs. Luke Fraser and Mr. and Mrs. Johnny Thomas in Pahokee. Mrs. Cary is the former Miss Juanita Lee and Mrs. Goldsmith the former Miss Evelyn Lee, both of Marianna, and sisters of Mrs. Thomas and Mrs. Fraser.

A. A. Barney Poston Candidate R. R. Job

A. A. (Barney) Poston of Lake Park, Dist. 1 county commissioner, qualified with Secretary of State R. A. Gray Wednesday as a candidate to succeed Eugene S. Matthews on the state railroad commission.

Poston is secretary and a past president of the state association of county commissioners, and has served the organization as legislator. He is the fifth candidate to qualify for the position from which Matthews will retire at the end of his present term. The others are F. D. Akin of Miami, H. E. Moore of Tallahassee, Wilbur King of Zolfo Springs, and A. William Morrison of Miami.

Jerry W. Carter, the incumbent, is the only announced candidate for the other railroad commission membership subject to election this year.

Coming to Florida when he was but a year and a half old, and reared in this State, Mr. Poston was last year lauded by county commissioners for his "loyal and unselfish service to the commission during the past years." He was succeeded by John Prince as chairman of the county board a year ago.

"Mr. Poston's outstanding ability as a county commissioner and leader in county administrative affairs has been recognized in the State," the board's commendation read.

First elected to the county commission in 1932, Poston made board chairman by his fellow members in 1935 and held the post up to last year.

Station At Ford Place Again Open

The Standard Oil station at B. Elliott's Ford Place in Pahokee is again open and under new management. Ray Browning and Dalton Garrett, recently returned from Uncle Sam's service, are the new operators. The boys are anxious to show the motorists of this area, just what they can do in the way of servicing a car or truck.

First Of 3 Units For New Church To Be Started At Once

Last Wednesday night a large congregation of Pahokee Baptists and friends was present to hear the report of the "findings" committee, Messrs. L. Jaudon, Chairman, Horace Unwin and Wiley Tillis, relative to the possibility of entering into the new building program immediately. After prayer and Scripture, the "Illuminated Cross Meditation Sing" was entered into from which emerged a spirit of humility and unanimity like the like of which is unusual.

Following the recommendation of the committee, the congregation voted unanimously to proceed with the building of the first unit, the Mens' Bible Class building and Fellowship Hall, 32 by 100, then the Sunday School building which will accommodate 500, closing with the auditorium which will accommodate some 400 comfortably. Messrs. E. Keen and T. B. Wilson were added to the above committee, said group to proceed as the building committee. The meeting closed with the congregation on its knees, thanking God for the "go-ahead" signal.

At the close of last Sunday morning's service, the congregation formed a chain surrounding the property of the new building, with prayer by the Chairman of the Deacons, H. L. Speer and the singing of "Bless Be the Tie that Binds." Ephesians 3:20, "Now unto Him that is able to do exceeding abundantly above all that we ask or think, according to the power that worketh in us," is the building program verse of Scripture.

Maybe You Got Sumpin', Governor

TALLAHASSEE—Gov. Millard Caldwell Wednesday scored Sen. John Beacham's 1945 act prohibiting the holding of bond elections at the time of any other election "as an impractical measure." Caldwell said that Beacham, of Palm Beach county, had fixed it so that "under the recent act passed by your senator the county will never float any bonds in the county."

The governor said the act tied up the county so that the percentage of the electorate necessary for approval could never be obtained on any bond issue.

Church Of God Launches Program

The church of God Youth Personal Evangelistic Union under the direction of Mrs. J. M. Gresham and Robert Powers is launching an Evangelistic Program, with the help of the entire class and hopes that this program will be as far reaching as the progress of the church has been in its short history.

The Y. P. E. U. has its regular meeting Friday evening beginning at 7:00 P. M. The program consists of special singing, prayer and Bible study. There is a different program director each evening. Tom Miller will be in charge of the service this evening. The public is cordially invited to attend these services and enjoy their benefits.

Check Those Lights

Public safety is far better served by preventing traffic accidents than simply investigating those that occur. State, county, and city traffic officers are to be commended, therefore, on taking effective steps to stop the careless use of bright lights on highways, and for making close checks of cars with faulty lights.

That many motorists in this community are careless about proper automobile lights is shown by the check-ups which reveal that one out of every three or four cars stopped by the officers had faulty lights. Although the enforcement officials currently are not making charges, they are insisting that motorists have the lights repaired immediately.

Such warnings should be heeded by all motorists. Check your car lights today. It is far better to be safe than sorry. —Tampa Tribune.

Pahokee Baptists Nearing Objective

The campaign with objectives of 250 in Sunday School and 100 in Training Union, is rapidly nearing fruition, with 229 and 86, respectively present last Sunday, First

Baptist Church of Pahokee. It is respectfully requested that the members and friends of this church make a special effort to be present next Sunday that this victory might be the order of the day.

Capacity congregations are attending morning and night to hear

the pastor's sermons on "The Sermon on the Mount", and "The 18 Baptist Articles of Faith." This Sunday morning at eleven the subject will be "Ye Are The Light of the World." The Ladies' Quartet, Mesdames Grimes, Baker, Dupere and Moberg will sing, "The Light of the World is Jesus." The choir will sing, "Send the Light."

At the evening service, 7:30, the third of the Articles of Faith, "The Fall of Man", will be preached. Because of the blessings derived, the "Illuminated Cross Meditation Sing", will be presented each Sunday night. The orchestra which is reaching the proportion of a symphony will play, augmenting the large chorus choir and song service conducted by R. Cowart. The Class Quartet will sing "Shine on Me" and "The Jericho Road", request numbers. Training Union meets 6:30.

New Building For Men's Bible Class

Because of the overflow attendance of the Pahokee Mens' Bible Class last Sunday, and the rapid growth of this influential group, more chairs will be furnished to accommodate the anticipated increase next Sunday. Rev. C. A. Moberg, teacher, made the well received announcement that the proposed building for the class, will get under way immediately with the hope of occupancy by Easter Sunday, April 21 with a record attendance.

The size of the building, thirty two by one hundred, will enable the class to conduct its program of semi-annual banquets and outstanding speakers with invitations to many more than could be accommodated at the last. Twelve feet will be used for a kitchen which will be equipped in line with the best that this modern day can offer, with a width of 32 feet which will provide for the workers, regardless of the size of the occasion, room to move about. A two way system of doors will be installed, thus facilitating the matter of service immeasurably.

This Sunday the teacher will present the next of the series of lessons, "A People at Worship". This is most timely because the manner in which the children of Israel provided the means for the building of their place of worship is the very manner in which the class building will be built. The Class Quartet, Messrs. Spooner, Cowart, Wood and Butler, with Gary Sanders at the piano, will present two selections. President Lawrence Jaudon will lead.

Thurmond Knight and Leo Wroten will be at the door shaking hands with all who attend, a miss means a visit to the soda fountain. They have yet to miss. A cordial invitation is extended to all unaffiliated men of the community, service men and visitors. The class meets each Sunday in the Lions' building, 9:45. Rep. Cowart is the song leader. C. Batchelor is the efficient secretary.

Four Patrols For Pahokee Troop 23

Scoutmaster Jack Phillips has divided the newly reorganized Pahokee Boy Scout Troop 23 into four patrols, Wolf, Flying Eagle, Flaming Arrow and Panther. Jack Spencer has been named assistant scoutmaster and Dickie Johnson, acting scribe. Extensive tests for classification of scouts in the troop were scheduled for Thursday of this week.

Members of the new patrols are as follows: Wolf, John T. Pickett, Jr., leader, Huston Connell, Raymond Caruthers, Ralph Chaney, Steve Kirk, Charles Phillips and George Rozelle; Flying Eagle, Ray Hutton, leader, Dickie Johnson, and Richard Smith; Flaming Arrow, Willie Guerry, leader, Frank Cline, James Barnes, Jackie Thomas, Sidney Caruthers, Chandler McIlwain and Bobby Schroder; Panther, George Belk, Jr., leader, Donald Danson, Frank Rozelle, Bernard Justice, Jerrold Berry, Tinker Christian and Bill Kirk.

Cinematic Chatter

By Malcolm Millar

Humphrey Bogart and Alexis Smith have been teamed together in Warner Brothers exciting drama "Conflict" and they certainly do a fine job of it.

This, of course, is a story written just to fit the talents of Bogart and, as usual, he makes the best of every line and every piece of sinister business in the portrayal of his part. Alexis Smith never more regal, never lovelier than she is in this piece, and if you didn't do anything else but sit and look at this lovely creature, you would have invested your money and time to a good purpose.

Tuesday-Wednesday of course boasts a double feature. First up is "George White's Scandals" with Joan Davis and Jack Haley... and surprise... Joan's daughter appears in this show and shows some of the talent of her mother.

On the same bill comes clever Peggy Ryan and Laughable Jack Oakie in "On Stage Everybody", which is another "behind the footlights" piece with a nice story and a fine cast.

Thursday-Friday Leo Carillo and Tom Neal with a good looking cast move in to screen "Crime, Inc."

This one is definitely a gangster picture and will be just right for all action loving fans.

On the same bill comes the two "ace screwballs" of the comedy world" Abbott and Costello and they offer one right out of the old "gay nineties" under the title "The Naughty Nineties". This one is loaded with gags right "off the cob" and funny situations that are designed to put you in stitches.

Saturday brings Rod Cameron and his comical featured player Fuzzy Knight in "Trigger Trail." This one of course is a Western and should contain enough dynamic action to suit the taste of the most avid fan.

See you at the movies—Mal.

Brown Tells Work Being Done On Park

Steve Brown, city recreation director and high school basketball coach, gave an interesting report on local recreation activities at the Tuesday luncheon meeting of the Pahokee Lions Club.

In addition to the banquet given the Pahokee Blue Devil football squad by school officials on Thursday night of this week with Jimmy Burns, guest speaker, the Pahokee football boys, together with the Belle Glade football squad, will be entertained at a fish and oyster fry to be given by Pahokee and Belle Glade Lions at St. Lucie Canal, the date to be announced. Jack Bell of the Miami Herald will be guest speaker at the Lions affair, he said.

Mr. Brown congratulated the Lions for their leadership in installing recreation equipment at the city park. He said additional new playground equipment had arrived and preliminary work on the construction of tennis courts has started. Also mentioned in his report was the baseball league being organized. Games will be played on the baseball diamond at

the Pahokee Migratory Labor Camp until the diamond at the city park is ready, he asserted.

Mike Sanders, recently released from the Army, spoke briefly. Other guests were Lester Hatton, home on leave from the Merchant Marine, Elmer Jones, exchange visitor from the Rotary Club, and Robert Hatton of Brutus, Ky.

War Veterans Are Honored

Returned war veterans of Canal Point were honored at a dinner party given by members of the Canal Point Methodist Church at the parsonage on Wednesday night of last week. The committee in charge of arrangements included Mrs. T. W. Griffith, chairman, Mrs. J. T. Parker, Mrs. Kendrick Buchanan, Mrs. Otto Coleman, Mrs. Earl Maxson, Mrs. Harold Rosenberg, Mrs. W. B. Elam and Mrs. A. R. Harrington. Approximately 109 persons, including 17 veterans and their wives, attended.

Mrs. Rose Wroten of Fort Deposit, Ala., is spending the winter in Pahokee with her sons and daughters-in-law, Mr. and Mrs. Leo Wroten and Mr. and Mrs. C. R. Wroten.

A New Year... A New South

As the South enters another new year, it may well pause to appraise its opportunities. For out of its recent past, a most promising future is arising; vast in its scope, stirring in its possibilities, revolutionary in its significance. The South now stands an excellent chance of fashioning the new South of which it has dreamed for so long.

Possessing abundant natural resources, a friendly climate, and an adaptable people, the South for many years has been recognized as a fertile field for industrial development. And now, having acquired industrial "know-how," skilled labor, and billions of dollars of new capital, the South is fortified with the essentials of a strong, diversified economy.

In addition, as science continues to develop new uses for the South's farm products, timber and minerals, unprecedented opportunities for new businesses, large and small, are opened. Locating near supplies of raw materials, these enterprises already are providing new sources of income for Orlando and scores of other southern cities and towns.

Moreover, the South's industrial program is augmented by growing populations. Seeking homes in propitious locales, thousands of men and women who "sampled" the South in recent years have remained, and other thousands are returning. Adding potent buying power, the South's increasing populations are expanding its markets and stimulating its economic progress.

So the inherent possibilities of the South are finding fulfillment in the rich, new advantages of the present. The day of the new South is at hand. Never before could the South look forward to a new year with such confidence.

Improvements Are Suggested For Air Ports In The Glades

Of interest to the Glades area is the suggested aviation development program for Palm Beach county which includes many projects for the Glades area. These suggestions have been made by the Committee on Aviation of the West Palm Beach Chamber of Commerce of which Lake Lytal is chairman.

It is suggested that in the Glades area there be at least one heavy duty class three or four, airport providing for heavy transport facilities.

It is suggested that in the Pahokee section there be a close-in air park and an air harbor. For the uninhabited air harbor is a terminal for seaplanes and amphibians. An air park is a landscaped and beautified park containing two or more paved or sodded runways and located in or near the area to be served as possible. They will provide only for the landing and taking off of private planes, with possibility of an adjacent area containing individual hangers for housing the planes of residents in the immediate area.

At Belle Glade it is suggested that the present air port be expanded to a class two airport. Also

Red Cross Chapter Will Hold Annual Meeting Today

Alf R. Nielsen, chapter chairman, has announced that the Palm Beach County Chapter, American Red Cross, will hold its annual meeting at the Everglades Club Friday, January 25, 1946 at 3:00 P. M. The public is invited and all those who contributed one dollar or more to the 1945 War Fund Campaign are automatically members of the Red Cross and entitled to vote at this meeting, he said.

The nominating committee will submit candidates for chapter officers and members of the board of directors for the year 1946. The wartime service of Palm Beach County Chapter will be highlighted and the accomplishments of 1945 distributed in a written annual report.

Chairman Nielsen pointed out that the postwar role of the Red Cross in fulfilling its responsibility to "veterans", servicemen, and their families, as well as in the fields of health education and disaster relief, require the continued support and participation of the people. This year's affair will pay tribute to the thousands of volunteers in Palm Beach County who have made possible the outstanding war record of the local organization, and will set the pace for the needs as they are indicated at present and for the future.

Two important phases of the chapter's activities follow within a short time after the annual meeting. The first is the annual reorganization of committee for chapter activities and the annual fund raising campaign, which will begin March first.

General Brehon B. Somervell, who commanded the Army Service Forces during the World War II, will be the principal speaker at the annual membership meeting of the Palm Beach County Chapter, American Red Cross next Friday at 3:00 P. M. at the Everglades Club.

Alf R. Nielsen had been nominated for a second term as chapter chairman; Dr. Frederick K. Herpel is the nominee for first vice-chairman; Mrs. C. L. Pirece for second vice-chairman; Mrs. Raymond R. Richardson for treasurer; Hartley A. Burgess for assistant treasurer and Mrs. Henry R. Rea for honorary chairman.

Baptist Declaration Of Faith No. 3 - "The Fall Of Man"

"We believe that man was created in Holiness, under the law of his Maker; but by voluntary transgression fell from the Holy and happy state; in consequence of which all mankind are now sinners, not by constraint but choice; being by nature utterly void of that Holiness required by the Law of God, positively inclined to evil; and therefore under just condemnation to eternal ruin, without defense or excuse."

Mr. and Mrs. T. W. Jenkins in Pahokee this week. T. L. Burns left Sunday for Durham, N. C., to enter Duke University Hospital for a week of medical treatment.

Mr. and Mrs. C. L. Burns left Saturday to return to their home in Seattle, Wash., after a visit with his brother and sister-in-law, Mr. and Mrs. T. L. Burns in Pahokee. They will spend a few days visiting in Sarasota enroute home.

Mrs. Dave W. Cunningham has resigned as fourth grade teacher at the Pahokee Elementary School, effective Jan. 22. Her place on the teaching staff has been filled by Mrs. Elizabeth Mosley.

Miss Elizabeth Caraway was in charge of the mission study at a meeting of the Lottie Moon Circle, Pahokee First Baptist WMU, at the church Monday afternoon. The study was from the book, "Victory Unto Victory."

Sam D. Blazer of Nocatee was a business visitor in Pahokee on Wednesday and Friday of this week.

Rev. and Mrs. J. R. Heller are attending the State Baptist Convention in Jacksonville this week. Mrs. W. P. Jernigan is substituting for Mrs. Heller at the Pahokee Elementary School during her absence.

Plans and prospects for the new year were discussed by members of the Pahokee Baptist Girls Auxiliary at a meeting at the home of Mrs. Ralph Grimes Friday night. Arrangements were made for a wiener roast to be held at Mrs. Grimes's this Friday night.

Matthews Quits Public Life After 50 Years Of Service

A qualifying rush by several candidates was touched off by the announcement from Chairman Eugene S. Matthews of the Florida Railroad Commission that he

will not be a candidate to succeed himself in this Spring's primaries.

The veteran Chairman will retire at the end of 23 years on the Commission, he declared in a statement issued here. Jerry W. Carter, other member of the Commission whose term ends this year, will run for re-election but is not expected to have opposition.

Matthews said he and Mrs. Matthews will live in Starke, where he owned the Bradford County Telegraph for many years. He began 50 years of public life on the Starke Town Council, was

elected to the Legislature of 1905, 1907, 1911 and 1923, and in 1924 was appointed to the Railroad Commission when one of the members died. He took a prominent part in establishing the Florida preferential system of highways, in creating the state colleges under the Buckman Act, and in 1929, while a member of the Commission, in advising the Legislature in setting up the Motor Carrier Act.

Mr. and Mrs. B. W. Wood returned home last weekend from Lyons, Ga., where they have been visiting relatives.

Council Studies Waterworks Plan

The Pahokee City Council Tuesday night voted to accept a contract submitted by Smith and Gillespie, Jacksonville engineering firm, to prepare plans and cost estimate for the expansion of the municipal waterworks system. The cost of preparing the plans is not to exceed \$500.

Bill Golden was named on a committee to work with John T. Pickett, Sr., in making a survey and cost estimate for a proposed 60 by 3,500-ft. municipal air strip to be located on the lake side of the levee at the Pahokee waterfront.

Funds were voted for the purchase of additional beds and a hot water heater to be installed in the

volunteer fireman's dormitory at the city hall. City Clerk W. P. Walker was authorized to open bids for the purchase of a new truck for the waterworks department. He was also authorized to issue building permits to B. A. Atkins and Berl Davis.

Police Chief Albert Gant was authorized to hire another patrolman for the police force.

Wanna Commission? The Army Has Some!

Complete details regarding opportunities for commission in the Regular Army were announced today by Capt. Thomas A. Murphy, commander of the Army recruiting station, at 704 Comeau Building, West Palm Beach.

Recently enacted legislation authorizes an increase in total officer personnel to 25,000. Capt. Thomas A. Murphy declared, and applications are now being received to fill the commission made available.

Any male citizen who served as an officer any time between Pearl Harbor and last December 28, is not over age in grade, and was honorably discharged or now is in service, is eligible to receive a commission.

Commissions will range from 2nd Lieut. through Major, but applicants will not be eligible for a grade higher than that held during wartime. Enlisted men who served as officers are also eligible to apply.

Bryant Is Official Name For Azucar

Rep. Dwight L. Rogers today informed employees of the United States Sugar Corp., that the Postmaster General's office has approved the change in name of the Azucar post office to that of Bryant in honor of F. Edward Bryant, Everglades pioneer, who died recently.

He reported from Washington that necessary changes in cancellation stamps, postal guide and other details are expected to be completed by Feb. 1. The post office serves more than 2,000 persons on the Bryant plantation of the sugar company, located near Canal Point.

Company employees, working through Rogers, petitioned the government to change the post office name in memory of Mr. Bryant, who "fathered both sugar production and ramie growth in the Everglades, and was vice-president of the United States Sugar Corp. The company, which already has changed the name of Azucar plantation to Bryant, is having a bronze plaque cast that will be placed in Bryant Park opposite the post office.

Mr. Bryant died Dec. 6, 1945, of a heart attack at the age of 72 years. As a pioneer in the Everglades, he succeeded in having the U. S. Dept. of Agriculture establish a sugar cane breeding station at Canal Point, and in 1921 built the first sugar house in the Everglades. He was also one of the early developers of Lake Worth, and was widely known for his humanitarian work among the negroes. He was vice-president in charge of the Eastern division of the United States Sugar Corp., until his death.

IN-MEMORIAM

WHEREAS, it has pleased the Grand Master of the universe in his infinite wisdom to remove from among us our esteemed friend and Brother,

John S. Harrington

WHEREAS, we feel that by his demise we suffer the loss of a faithful member of our fraternity and the community at large an honored and upright citizen, one who was beloved by all who knew him.

BE IT RESOLVED, that for the purity of his life, the cheerfulness of his presence, the uprightness of his character, the kindness of his dealings with others we shall hold him in loving remembrance as an example worthy of our emulation. RESOLVED, that while we mourn for him as a friend and Brother our sorrow is lessened by the knowledge of his life which presages his triumph over death, and we are lead to exclaim Blessed are the dead who die in the Lord.

RESOLVED, that we, the officers and members of this Lodge, extend our most heartfelt sympathy to the immediate relatives and friends in their great sorrow over the departure of a life so useful and commend them to him who doeth all things well.

RESOLVED, that these resolutions be placed on the records of the Lodge and a copy presented to the sorrowing relatives of our deceased Brother.

Given under our hands and seal of Everglades Lodge No. 211 F. & A. M. this 10th day of January A. D. 1946 A. L. 5946.

Two Girls Have Joint Birthday Party

Mrs. Don Hillier and Mrs. Kitty Sasser entertained at the Hillier home last Friday with a joint birthday party honoring their daughters, Nancy Hillier, 10, and Faith Sasser, 6. A color scheme of yellow and green was followed in party decorations and refreshments. Party prizes were awarded to contest winners and refreshments were served to approximately 25 guests.

Boys Injured As Car Crashes Into Train On Crossing

Gene Williams, son of Mr. and Mrs. J. J. Williams of Canal Point, and Aubrey Hitchcock, son of Mr. and Mrs. W. P. Hitchcock, also of Canal Point, were injured early Tuesday morning when the car in which they were riding crashed into a freight train at the Pelican Lake FEC crossing. The boys were returning to Pahokee and were unable to see the train because of a heavy fog as they rounded the bend in the road at the ice plant.

They were taken to the Everglades Memorial Hospital where it was found Williams is suffering from internal injuries and he was unconscious until Tuesday night. Hitchcock, who is visiting his parents while on furlough from the army, was dismissed from the hospital Tuesday after receiving treatment for a severe cut on the head and an injured knee. The car was completely demolished, according to State Patrolman W. R. Kaufman who investigated.

Morris Kennedy Has Birthday Party

Morris Kennedy celebrated his fourth birthday anniversary at a party given by his mother, Mrs. Norman Kennedy, at the Woman's Club building on Saturday afternoon. The hostess was assisted in the entertaining by her mother, Mrs. Dewey Morris of Delray Beach, and Mrs. J. P. Lawrie; also by Nadine Raulerson who read stories to the children. Party prizes were won by Cynthia Friend and Bennie Baxter and party favors in the form of candy baskets were presented to the guests. Refreshments of Ice cream, cake and pink lemonade were served to 25 guests.

More equipment has arrived for the children's playground and we hear the PTA will furnish the tables and benches. We warn you again, that will be a wonderful park by summer time.

Speaking of the PTA recalls to us memories of their membership drive. One Duncan Padgett brags of the number of members but does not tell how he got them. Duncan and Elmer Jones dressed themselves up in a rough and ready style and approached about 459 people in this town and informed them that they would be perfectly willing to burn their house down that night or they could purchase the little blue card they had in their hands which already had the prospects name on it. The PTA is a fine organization and we believe in it one hundred percent. We also know the organization is in no way, responsible for Padgett or Jones nor their methods.

Fever Tick Causes Cattle Mart to Close

A recurrence of the cattle fever tick in some sections of Okeechobee county has resulted in the closing of the Okeechobee livestock market there. The market, one of the largest in the state, has been dependent on cattle raised in Okeechobee county. Outbreak of the fever tick bringing on quarantine of some parts of the county, has held up movement of cattle into the markets until the tick is brought under control.

HEAVIER RAIL

The East Coast is relaying its main line with heavier rail, designed for higher speeds and greater riding smoothness. Over 44,000 tons have been laid to date.

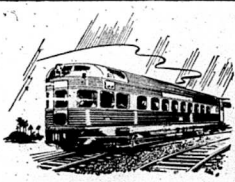

DOUBLE TRACK

Years ago the Florida East Coast Railway added a second main line track, making it the only double track route through Florida.

AUTOMATIC BLOCK SIGNALS

further speed both freight and passenger traffic, increase safety and reduce delays over the double track main line of the Florida East Coast.

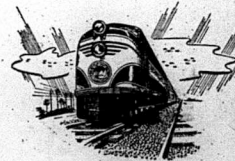

NEW EQUIPMENT

The Florida East Coast Railway has on order a number of additional streamlined, lightweight passenger cars for delivery as soon as possible.

FOR BETTER SERVICE

MORE DIESEL POWER

Fifteen new Diesel locomotive units have recently been added to the East Coast's Diesel fleet. All principal East Coast passenger trains are now Diesel-powered.

The Florida East Coast Railway has long followed a program of constant improvement, keeping pace with the expanding needs of its growing territory. Improvements are still being made and others planned that will result in still finer service tomorrow.

But due to the heavy demands of returning military personnel, extra passenger equipment is not yet available. More than one-third of all railroad coaches and approximately four-fifths of

all Pullman accommodations are currently being used for the movement of troops from ports of arrival to separation centers. New passenger equipment, ordered by the Florida East Coast Railway even before the war, will not be delivered for several months.

So we ask your continued patience and indulgence when trains are crowded and you are unable to secure reservations on the date desired.
